## Editorial

Long before we were born, we were destined to meet Baba in this life. And after we were born, some way or other – Baba took us into HIS fold and changed our life forever. Today when I look back and realize the series of events, I feel lucky and blessed that I got to know Baba.

Today the world is going through a tough transition, it barely overcame from Covid, a several countries are in deep conflicts, majority of the population is divided based on ideology, ego, religion, race, and color, a large section of the population is trying to survive on a single meal and the list is endless.

In this difficult time, let all of us have a little Shraddha and Saburi towards every aspect of life, towards everyone – known or unknown. When everyone is fighting to survive in this illusionary world, let's carry Baba's simple message of love and empathy. Let's help each other in whatever possible way we can without judging them. Let's be optimistic that this is just a phase and have patience that it shall pass too. Let's bring back the social climate when our neighbors were not just neighbors, instead, they were families. A small step towards goodness will bring us closer to Baba.

Guru Purnima is around the corner, and it makes me realize that these everlasting words from Kabira are relevant even today:

गुरु गोविंद दोऊ खड़े काके लागू पाय  
बलिहारी गुरु आपने गोविंद दियो बताए ॥

## Sri Sri Ram Thakur

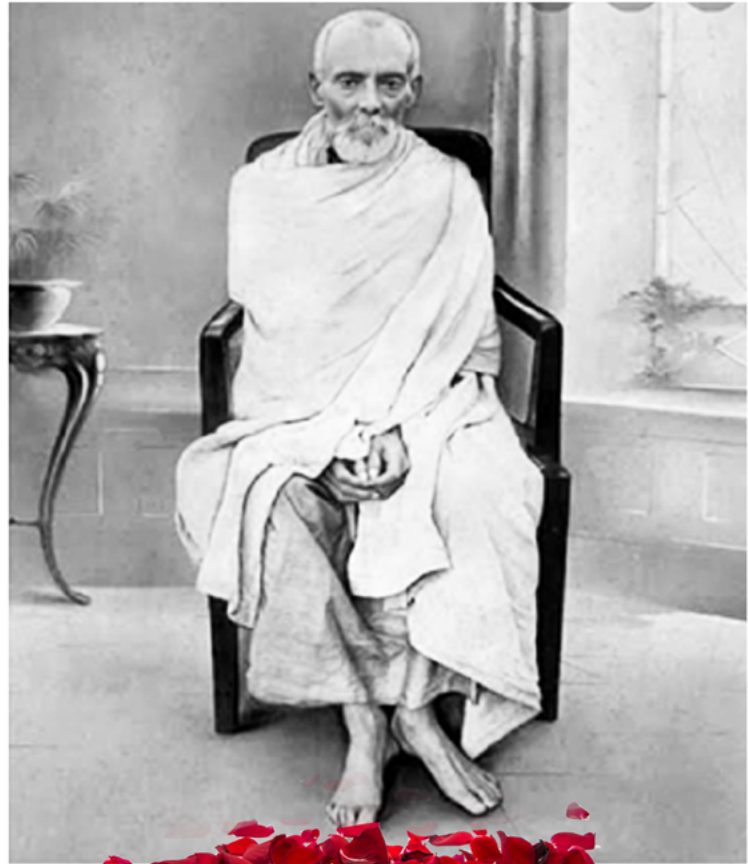

*"Patience is a priceless passion, exert yourself always to nourish it."*

Sri Sri Ram Thakur is also referred to as Sri Sri Kaibalyanath or Sri Sri Satyanarayan. He took the human form in the regions of undivided Bengal prior to India's independence, now Bangladesh, for the spiritual upliftment of all, irrespective of religion, caste, creed, sex, colour and class.

He showed his followers the path to enlightenment with a simple advice "Chant his name wherever you are, do your duties and, keep faith and patience". One can even overcome the predestined by chanting his name alone. Showiness is not desirable as it blurs the truth. His sweet and hearty advice lies deep-rooted in the hearts of his followers.

## **Guru Sudhakara Rao**

Sudhakar Maharaj was an altruistic Saint and a devout follower of Sai Baba. We (his followers) address him as BABA from the bottom of our heart. BABA always believed in selfless and single-minded devotion towards "Sainath".

His watchwords on worship methods were, "Surrender to the divine feet of Sainath with ultimate trust and gratitude."

**BABA is always with us**

Om Sai Ram

I'm grateful to everyone in this team for giving me an opportunity to write about a Sai Leela in my life.

Recently, one fine day, after doing my puja and reading a chapter of Satcharitra, I looked at BABA and asked him to bless me with his hands on my head. And then, I kept on reminding him on fulfilling this wish of mine. I got a couple of dreams where small children used to come and tell me that BABA blessed you and told us to convey the same to you.

There came a point when I was being very adamant to get his blessings. I asked Sai to bless me directly and show his presence in a dream. One Thursday around early morning, I had a dream and saw BABA sitting in a mandir. I was standing with a Purohit who was doing Aarti to BABA. And then, BABA's statue turned towards me and asked me to come up and do a saashtaang namaskaram. I laid down and did namaskar to BABA and he blessed me by putting his hand on my head. It's hard to express how I felt when he blessed me. The vibrations of his touch were felt throughout the day. This is an assurance that BABA is still there with all of us and listens to everyone who has faith in him.

Om Sri Sadhguru Sainath Maharaj Ki Jai

### Shri Bhupesh Goswami of Gosai Dham Guru Gaddi

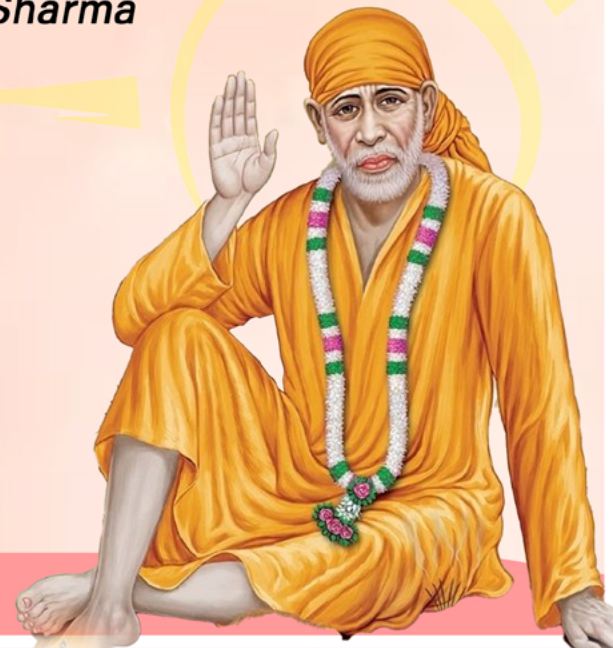

My family and I are followers of Shri Sai BABA from last 22 years. We're part of a Sai Satcharitra Mahaparayan group on WhatsApp and religiously do weekly Shri Sai Satcharitra Parayan every Thursday. We visit Shirdi regularly.

We are Sai devotees and our family Guru Ji is Shri Bhupesh Goswami of Gosai Dham Guru Gaddi based at Ambala. Pre-partition his Gaddi was in Pakistan. After India- Pakistan partition, Gaddi was moved to Ambala and was headed by Guru BABA Buta Ram Ji followed by BABA Vishnu Digambar Ji. As per devotees and followers, many miracles were witnessed at the time of then Gaddi Nasheen Guru in Pakistan; many got benefitted when they're in pains and needs. Now, devotees visit Gosai Dham temple from all over the world and pray there with lots of trust and faith. There's a strong belief that their problems reduce or disappear after praying and bowing at Guru Ji's feet.

Throughout the year, many functions and programs are organised by Gaddi devotees and followers. Some of the main events include Annual Yaga arranged a day before Phalgun Maas Shivratri , Ramayan Path and Guru Pooja function on Guru Purnima when devotees come to worship Guru Ji and perform Guru Aarti. They also arrange a bhandara on the occasion of Guru Purnima.

## SAI our only Guru

BABA is my Guru. For me, he is my mother, father, friend, doctor and, everything. He is the trinity- Brahma, Vishnu, Maheshwara and all God forms.

I started BABA's Satcharitra and accepted BABA as my Guru 18 years back. Since then, I feel he is taking care of me in each and every aspect.

Whatever he did in the past is good for me. And, whatever he will do in future is also for my best only. My life is at my Guru's feet, let him navigate my life whichever direction he feels it should go.

## My BABA

You say-come to me and I will show you the light  
I have been at your lotus feet day and night  
Sometimes with Shraddha and sometimes with Saburi  
There is still darkness in me and that makes me cry

I keep asking you for signs to show if you are with me  
But I keep forgetting that you dwell in pure hearts  
I ask you this, I ask you that - doing deals with you  
And I forget you ask nothing but devotion and perseverance

I understand I should leave everything to you  
After all you are the one who brought me to you  
I know you will take care if only I have full faith  
Asking you for signs is nothing but my wavering mind

Help me BABA to tame my mind and answer my prayers  
Make me understand the true meaning of devotion  
I don't wish any miracles, I just want your hand on my head  
And I know only then the ocean of your love will flow towards me

Till then I will be at your feet praying with closed eyes  
Forgive my stubbornness BABA  
But I am your child, you cannot ignore me  
Please put your hand on my bowed head and I will be blessed

**Dr. Kamlesh D Patel, Daaji**

I am a strong devotee of Sri Shirdi Sai BABA, but I'm blessed to be an Abhyasi of Heartfulness Institute as well. Below is the picture of my Guru, who is a meditation guide- Dr. Kamlesh D Patel, affectionately known as Daaji.

From his young days, he was always interested in spirituality. On his spiritual path, he met and followed his guide Shri Ram Chandra of Shahjahanpur (Babuji)- the founder and first President of Shri Ram Chandra Mission. Daaji continued to follow Babuji's successor -Parthasarathi Rajagopalachari (Chariji), the second President of Shri Ram Chandra Mission. He is now the President of Shri Ram Chandra Mission, teaching Heartfulness Meditation.

## **BABA holds my hand and is omnipresent!**

BABA's Miracles - BABA keeps a watch on his devotees and extends his hand to hold the devotee in times of need.

After getting settled in Sydney, Australia about two and half years back, I visited my daughter Indira in Fortmill, South Carolina and my son in Houston, Texas, USA.

Indira and I planned to visit her in-laws in Madurai, India. I planned to visit Delhi to undergo a long pending whole body checkup for Diabetes in Apollo Hospital. I reached Delhi on 15th May 2022. My colleagues booked the posh VIP Suite in a Residential Wing of Jawaharlal Nehru Stadium, New Delhi.

While the VIP suite had all the amenities including washing machine, but surprisingly there was no refrigerator. I was carrying my insulin stock which needs to be kept in a fridge. I checked and asked everyone there if a fridge was available in the canteen or a medical centre. But, to my utter surprise, I got a negative reply.

It was at about 9.00 pm, I reluctantly decided to shift to any hotel near Apollo hospital to save my insulin stock in the scorching hot weather of Delhi. However, I was praying BABA to show me the right path to find the right hotel at night.

## *Samarpan*

### **BABA holds my hand and is omnipresent!**

Then, suddenly a Tennis Coach, Shri Nagraj, who happens to be the native of Madurai, whom I had never known earlier, came to me and asked – if I was looking for a fridge. I will provide the fridge kept in one of the rooms. He got the fridge shifted to the VIP suite. This was a sheer miracle of BABA who saved me from the serious inconvenience of shifting to a hotel at night.

BABA showed his presence on another instance as well. I planned to visit Shirdi on 23rd May 2022. Since my place of stay was far from the airport, one of my colleagues of 35 years of association, invited me to spend the night at his residence so that I can go to the airport in the morning as it is very near from his residence.

Accordingly, I shifted to his residence. However, the night experienced heavy storm. All roads leading to the airport were full of fallen trees. As a result, there was heavy traffic jam. Google Map indicated more than one and a half hours' time to reach the airport. That means I was going to miss my flight. I earnestly appealed to BABA to get the traffic jam cleared and help me reach airport in time.

While I was praying, I got the message from the Airlines that my flight had got delayed due to bad weather. I reached the airport at

original time of departure and boarded the plane thanking BABA.

BABA's kripa has no end so at yet another time BABA ensured my wish was fulfilled. Since I came from USA, my longtime friends welcomed me with open arms and tried their best to make my visit very comfortable.

Three friends gave me numbers of eminent persons in Shirdi who would help me in getting darshan of Bhagwan Shri Sai Baba. One friend Shri Sunil Taori of Mumbai arranged VIP passes for evening and next day morning darshan and he himself came to Shirdi to take me for BABA's darshan through VIP passes in the evening and in the next day morning.

My friend Shri Sunil Taori and I reached the main gate and tried to find out the PRO office to collect our VIP Passes. The guard at the entrance of the queue suggested that instead of wasting time in collecting the passes, we should join the devotees in the queue to have darshan within one hour.

Accordingly, we joined the queue forgetting the VIP passes. We got the divine darshan by following the right hand side queue which was away from the divine Padukas. I just thought that I missed the Divine Padukas but happy to get the darshan within a few hours of wait.

## **BABA holds my hand and is omnipresent!**

After visiting Gurusthan, Museum, Dwarkamai, etc, we came out to the shopping side.

We entered a shop. The shopkeeper was very friendly. Instead of asking what we intend to purchase, he asked whether we had the darshan of Bhagwan Shri Sai BABA. When we said yes, he said come I would take you to have darshan again. He took us and when I raised my head, I was standing in front of Divine Padukas as if BABA read my mind and arranged this second darshan. The shopkeeper again said that we should come in the morning to have the Divine Darshan for the third time. Next morning, again he took us for Divine Darshan.

All these miracles only prove what is written in Sai Satcharitra that BABA keeps his eyes on his devotees even if they are thousand miles away and saves them from all calamities and helps them in times of need.

Bow to Sadguru Sainath Maharaj.

Jai Sai Ram

My Guide ~

**Meditation Guru ARCHNA DIDI**

At the tender age of four, a blessed child was found immersed in deep silence and meditation. The family, neighbours and all the people around her were amazed to observe her with deep spiritual devotion and a charismatic 'God Persona'. The teachers in school were also overwhelmed by the aura of this sacred child. In a very short span of time everyone around realized that she indeed is a gifted one. At a time when other children would play, she would be found engrossed in an inner

journey to understand the world of sublime. She excellently continued the inner journey of self-realization along with academic studies brilliantly.

While having acquired spiritual bliss at a very tender age itself, "ARCHNA DIDI" as is fondly called, had not been content only with own spiritual attainment, as such decided to share the art of mastering the inner self and spreading happiness in the society by connecting people from all walks of life so that our ancient philosophy, ideology, and values are nurtured and imbibed by all.

I am blessed to have a guru and guide like DIDI in my life and it is no one else but my Baba who has come to in the form of my guru. Om Sai Ram.

## BABA always has a plan!

BABA always has better and bigger plans than we can think of. Sometimes, when BABA says 'no' we don't understand, we fast and force BABA to agree to our wishes. Sometimes he gives in. For instance, as mentioned in Sai Satcharitra, when he asks Shama to accompany Balasaheb Mirikar, but Mirikar refuses thinking it would be hassle for Shama. To which, BABA replies, 'We should mean well, and do well. Whatever is destined to happen, will happen. Dwarkamai will protect.' BABA gives us what's best for us. Please read below experiences to see how future unfolds in best way for us.

In 2012, we had to move to a different place. My husband's company was very flexible with the choice of our location. We started looking for houses and somehow shortlisted one. Somehow, I was a bit worried about going to new place, but BABA's chits said to go. So, I kept my faith on BABA and went.

Initially, I felt the move was not good. But in the next 10 years, we bought a house in that area, I progressed to the peak in my career with very supporting colleagues and work environment. And my son went to best school in that area. I was very well supported when my husband had his treatment. Overall, it was the best experience of my life. Only BABA made all this possible. He knows the future, so we just have to trust him blindly.

We found a house close to the market, even though we were not keenly looking for a house. It was a beautiful house, slightly over budget, but we decided to buy it.

When my husband took some videos of that house to share with me, the first thing I saw on video was BABA's big portrait. I took this as BABA's sign that we would get this house. But somehow things changed, and the seller refused to sell the house anymore. Just then the Covid pandemic broke out, so we didn't try anymore. We tried buying the house once more after 2 years. But again, that house was sold to someone else for slightly higher price.

गुरुर्ब्रह्मा गुरुर्विष्णुर् गुरुर्देवो महेश्वरः।  
गुरुः साक्षात् परब्रह्म तस्मै श्रीगुरुवे नमः॥

## **BABA always has a plan!**

I kept on thinking, why I saw BABA's picture. I was very sure that it's BABA's sign of giving us this house. I was a bit disappointed!

We started some construction elsewhere, and put a lot of money in that construction. Suddenly there was another house in the market, which was exactly same and 2 lanes behind the previous house we couldn't buy. This house was exactly same in looks, much bigger in size and lesser price as compared to previous one.

Now, we saw another miracle of BABA's. Somebody had to return us some money, so we could pay for this house, but that person was not able to pay back. We thought of not buying the house because of lack of money, but BABA literally sent money without us asking anyone, to our house. Some or the other person would lend us money. BABA also helped us get loan (again- we tried loan from few banks which didn't go through, and suddenly the bank we had tried previously called and offered loan when we had lost all hopes for a bank loan). So, BABA gave us the house when we least expected it, beautiful and a fully constructed house. And I still don't know why didn't BABA help us buy first house, and made us start construction for another house. Now that construction is stopped midway, but people complimented that it would be a beautiful house once completed. I know BABA would complete that construction at the right time.

BABA planned a very big move in my life. I fully trusted BABA and has made this move. I know BABA is holding me tight and will carry me and my family forward with great plans.

We humans think too much and create doubts, but I know all this is BABA's best plan. I am a small and a blessed devotee and know that BABA loves me and thinks about me.

गुरुः साक्षात् परब्रह्म तस्मै श्रीगुरुवे नमः॥

**BABA always has a plan!**

Otherwise, I am a sinner and not a true devotee as many are, but BABA's love for me is unconditional and I am truly blessed for the fact that BABA has accepted me as his daughter.

## BABA Answers Our Prayers

It was a festive season (Dussehra and Diwali) in 2021 after the 2nd wave of COVID when my office started functioning and many were asked to come regularly. However, due to the situation that was beyond our control, we had not received salary for 5 months. It was this time when a very close family friend of ours, Usha Akka had called Shreeja (My daughter in law) and asked her if she would accept Lord Dattatreya, brought from Shirdi. Shreeja is an ardent devotee of Shirdi Sai BABA and she was overwhelmed when she received the call. Just about 1 ½ years back, I wanted to get a photo of Lord Dattatreya (since my Son, Daughter in law and myself had completed reading Sri Pada Srivallaba Charithram -first incarnation of Lord Dattatreya in Kaliyuga-). Immediately, Shreeja said that one day Lord Datta himself would come to our house and then I too left the matter as it is and did not buy any photo or idol. Here again, I have to mention that main person who was instrumental in making us read the Charithram was Mrs. Hema - Hindi teacher of my Grandson.

As per schedule, we went to Usha Akka's house, (she was recovering from illness. Her survival itself was a miracle by BABA's grace). In their house they have an idol of Shirdi BABA, named Gajanan BABA. When there is any problem of whatsoever, to anyone known to them, they pray and offer Re 1/- to Gajanan BABA. Within few days, the person is out of trouble. Similarly, when my sister had been to their house earlier, she happened to mention about my pending salary, when Usha Akka's mother immediately offered Re 1/- to

Gajanan BABA praying for me.

My daughter in law too prayed and she told me that definitely I would be getting 3 months' salary. In the situation my company was, it was beyond expectation to receive 3 months' salary. I also prayed to Gajanan BABA for getting my salary. Lord Datta was waiting there for us to bring him to our house. Happily, we brought him to our house. I thank Usha Akka for having given the treasure brought by her brother from Shirdi.

To my surprise within a few days, I received my 3 months' salary before Diwali and everyone in our company was very happy. I thanked Gajanan BABA and informed Usha Akka also. BABA conveyed through my daughter in law that I would receive 3 months' salary, which I realised later.

## BABA took me under his wings

Initially, I was not a devotee of BABA. My daughter had to go to Chennai to do her graduation. Things were going fine. However, some problems cropped up in such a way that it became difficult for her to continue her studies there. I was very disturbed and confused as to what can be done. I did not want her to discontinue her studies in the mid-way and start her studies somewhere else. She was a brilliant student and doing very well in her studies.

One night, Sai Baba appeared in my dream. I was shocked as I had never been his devotee. It was as if BABA was telling me, "Don't worry, I will protect you". I was in a dazed state. Next day, I ran to my friend's home and asked them to give me a photo of Sai Baba. They gave a photo of BABA. I framed it and kept in my Pooja room. I started becoming his devotee. Slowly, my daughter's problems got solved. She did very well in studies. Today, thanks to BABA's blessings, my child is a medical scientist. Both my daughter and my son in law are staunch devotees of BABA.

Today, I am a very staunch devotee of BABA. I have had the fortune of visiting Shirdi two times.

## BABA's Miracle During Covid

This happened during the second wave of Covid.

A few days before my sister's due date for delivery, she, her husband and her in-laws were all infected with Covid. The very next day, my parents and I got down with Covid as well. The environment in both the houses was tense and all of us were frightened.

I was also very emotional but strangely, my faith in BABA kept me at peace. I refused to believe that Covid could get us. I just knew that this is a small price we are paying for something **WONDERFUL AND PRICELESS**. My friends also hugely supported me during this gloomy time.

Those 3 days felt like an eternity though. We were even more worried because her doctor whom she had been seeing since the past 8-9 months had suddenly become almost non-responsive and less supportive. I kept reminding myself to not worry since everything happens with BABA's permission.

Between a lot of planning on how to manage ahead, especially once the baby arrives, we got a phone call on the 5th day around 4 am in morning that her water broke. This sent my family into tears.

I tried consoling them and asked them to be happy instead as this is the day we welcome a new family member in our lives.

She reached the hospital on time. Fortunately, her husband was allowed inside the delivery room.

We were growing restless with every passing minute and listened to 'Sai dhun' to

calm and distract ourselves.

Soon enough, the phone rings and the news only strengthened my faith in deva, ' A perfectly healthy baby has arrived into this world! The baby was also tested for covid and the result came negative.

BABA never ceases to amaze me with his care, patience and love.

Thank you, Sai for all you do for us, for the patience you keep with us, for the never-ending love you shower us with. We are truly grateful and blessed!!

## **Devraha BABA**

Our Guru, Devraha BABA was a hermit from Vrindavan. He was considered to be a spiritual guide to everyone from a pauper to the most powerful and who's above narrow confines of caste and community.

He lived on a 12-foot-high (3.7 m) wooden platform near the river and wore a small deerskin. A barricade of wooden planks hid his semi-naked body from his devotees, and he came down only to bathe in the river.

He took Samadhi in 1990.

## Sainath - Our Guru

We do not have a family Guru, but Sai Baba is our Guru. And Veerabhadra is our family deity. Sai Baba came into my life in my 10th class- the class when the marks have most importance. This is when I could see a significant difference in my marks. And from then on, he became my Guru, friend, and everything. I do almost everything by informing him and seeking his blessings.

I've a habit of casting chits in front of baba while making any critical decisions. That's how I take more liberty. After my bachelor's degree, Sai Baba came over to one person and talked to me with love. He asked me to give Harathi to him at 10:30 daily, which I try to do every day without missing. BABA is everything to me.

The image above is the of Lord Veerabhadra (actually made out of Lord Shiva's Vibhuti Linga).

## Sai BABA Saved Saiansh

I am Aadhya from Bidar, Karnataka. I am very blessed to share our experience which showed that BABA is there with me and my family. And, not only with us but the one who believes in BABA blindly- he is always there showering his love!

This is the story of my son, Saiansh who is 2 years old. Saiansh loves Sai BABA very much. Daily, when his father performs Pooja he sits with him and chants "Om Sai Namo Namah ,Sri Sai Namo Namah ,Jaya Jaya Sai Namo Namah Sadguru Sai Namo Namah" at his own pace. There is a small statue of BABA in our room, he just loves playing with BABA's statue. He talks with BABA, while playing he touches BABA's feet and makes everybody take blessings of BABA. Sometimes, he takes BABA's statue in his blanket and loves to sleep with him.

On 7th May 2021, it was a normal day for us till night around 10 o'clock. Saiansh was playing in bed. I just entered the room, and seeing me in excitement Saiansh started running and dancing on bed but all of a sudden his legs slipped and fell down on his head to the sharpest edge of the cot. Seeing this, my whole world shattered before me. I rushed and took him in my arms. There was non-stop bleeding over his face.

## Sai BABA Saved Saiansh

I was in utter shock to see blood coming from his eye, I screamed not knowing what to do, what had happened. Hearing this my husband and in-laws rushed to me. Unknowingly, I handed him to my in-laws and lost consciousness screaming loudly. When I opened my eyes, I could see our home filled with neighbors, they were sprinkling water on my face to bring me back to consciousness. They told me that the cut is on the eyebrow and not in the eye. My son was crying Aadhya, Aadhya (he calls me by my name). I went to him with my shivering hands to console him. In between, my husband called my parents who are also from Bidar and asked them to make an appointment with the doctor until we reach the hospital.

Everyone was worried about what would happen next. We took the bike and started for the hospital, on bike my 2yr Saiansh was like Mumma, don't cry, I'm fine-tell Papa to ride the bike slowly. That was so shockingly relieving under the storm of events how a 2 year old baby can speak those heart melting words. My hubby and I believed that it's our Sai BABA who is speaking to us through him giving us assurance that our baby is safe, he is there taking care of him. You two stop worrying about Saiansh. I am there with my little Bhakt in between and I sensed that bleeding has stopped.

## Sai BABA Saved Saiansh

By the time we reached the hospital my family had arrived there. My sister took the little one along with my husband and she entered the hospital. At our odd time, due to Covid pandemic lockdown, there was not even a single doctor who could treat our baby. Again we started praying BABA for a miracle. One of our relatives who happens to be an ambulance driver called a doctor and requested him to take this case. This doctor had stopped taking any patients for quite a long time since he recovered from Covid by himself. By Sai BABA's grace, he agreed to see at his residence having good medical infrastructure including a mini operation theater which was just near to the location where we were standing at that moment. Even though Bidar is a small city till that day we were unaware of this doctor. We rushed to him looking at his name plate as a M.S (Master of Surgeon). There is no doubt that BABA's grace sent us to a good professional, it seems like he wanted to treat our child with good care.

Doctor had asked us all to wait outside and wanted only 2 members to accompany the child while he could put stitches on the bleeding site. My sister and brother decided they will go to hold my son as my husband and I were not in condition to see the procedure.

# Samarpan

## Sai BABA Saved Saiansh

Around 7-8 stitches were put just above the eyebrows with the high quality thread which will be used during c-section to avoid any latter stage marks on the body. It was a very sophisticated procedure considering the site of the cut just above eyebrows, slight distraction would have caused much harm to the eye.

After procedure doctor came out and had some conversation with us and narrated funny thing happened inside OT during procedure how Saiansh was pleading his mama to loosen his hold a bit in exchange he will kiss his mamaJ. That was the first sigh of laugh we had in last 2-3 hours of havoc. Doctor told us you people are lucky that your child didn't fall unconscious till that time since the instance of the accident. Now, he is fine you can see him playing the next day itself and that turns out to be true. Within the next 7days stitches were removed, to our surprise there is no scar visible unless one sees it carefully at that site.

Next day after this incident when my husband was performing Pooja saw there is a scar on BABA's statue kept in Pooja place. He became too emotional and showed this to all the family members how BABA took the pain on himself to save his little Ansh.

## गुरु पूर्णिमा का महत्व:

हिंदू धर्म में गुरु पूर्णिमा का अत्यधिक महत्व है। उस दिन गुरु तत्त्व दूसरों की तुलना में लगभग 1000 गुना अधिक होता है। गुरु पूर्णिमा के दिन आप अपने शिक्षकों के प्रति आभार व्यक्त कर सकते हैं। हम देख सकते हैं कि भारतीय शास्त्रीय नृत्य और संगीत की कक्षाएं गुरु शिष्य परम्परा का पालन करना जारी रखती हैं। इससे गुरु पूर्णिमा के अभ्यास की आवश्यकता और बढ़ जाती है।

गुरु पूर्णिमा के दिन, आदि योगी ने वह ज्ञान प्रदान किया जिसने निर्माता और कृतियों के बीच एक सेतु बनाने में मदद की। अंतिम ध्यान वैज्ञानिक तरीकों को तैयार करने पर है जो विभिन्न सीमाओं को पार करने में आपकी सहायता कर सकते हैं। हम अपने जीवन में विभिन्न भौतिक और अन्य बाधाएं पैदा करते रहे हैं। गुरु पूर्णिमा के माध्यम से, हम उनसे आगे बढ़कर एक शाश्वत क्षेत्र की ओर बढ़ने की कोशिश कर रहे हैं। यह गुरु पूर्णिमा के दिन था, आदि योगी ने उस ज्ञान को साझा किया जिसने लोगों को यह एहसास कराया कि जीवन में सब कुछ अस्थायी है। गुरु पूर्णिमा का एक और महत्व यह है कि यह हमारे वर्तमान आयाम से परे विकसित होने की हमारी इच्छा को प्राथमिकता देता है।

गुरु पूर्णिमा कृतज्ञता का दिन है। इस शुभ दिन पर, हम अपने गुरुओं द्वारा साझा किए गए ज्ञान और ज्ञान के लिए आभारी हो सकते हैं। हालाँकि, हम बदले में कुछ भी प्रदान नहीं कर सकते हैं जो हमारे गुरुओं ने हमें दिया है। हमने अपने गुरुओं से जो कुछ हासिल किया है या सीखा है, उसे बढ़ाने का एकमात्र तरीका दूसरों के साथ ज्ञान का प्रकाश साझा करना है। यह हमेशा दूसरों को ज्ञान देने और उसे जीवित रखने के बारे में है। गुरु पूर्णिमा के लिए, हम एक व्यक्तिगत शिक्षक या गुरु नहीं मना रहे हैं। यहां, हम उन सभी आध्यात्मिक और अकादमिक गुरुओं को सम्मान देने की कोशिश कर रहे हैं जिन्होंने हमें बढ़ने में मदद की है।

इस प्रकार, गुरु पूर्णिमा भारत और हिंदू धर्म में अत्यधिक महत्व का त्योहार है। यह बौद्ध और जैन धर्म में भी एक महत्वपूर्ण भूमिका निभाता है।

## **Unconditional love and belief (OM SAI)**

Sai means everything to me. There is not a single day I have not called BABA. BABA is my hope and my way of life to live. Last few months, I am suffering a lot. I left my job and doing new business single handedly but some unfortunate incidents make my growth totally slow. I lost my father six months back. That time, I lost myself but I was thinking BABA is with me. I tried to live but unfortunately mother also passed by recently. Currently, I have no way to live, I totally broke down. I thought my life finished but somehow due blessings of BABA, there's a some small reason and hope to live. I trust BABA will show me the way, new hopes and blessing. I can't touch my parent's feet but I can see my parents on BABA's face.

## साईं मन

मुझे यह कहने में बहुत गर्व और संतोष है कि जब से बाबा ने मुझे अपनी शरण में लिया है तब से मुझे जीने का मकसद और सम्मान के साथ अपनी नौकरी कर रही हूँ | जहाँ जीवन में चारो ओर निराशा ही थी वही बाबा ने मुझे जीना सिखाया है |

इस सन्दर्भ में एक घटना आप लोगों को बताना चाहती हूँ कि मुझे बचपन से ही एक भय लगता था और ऐसा शाम या रात को ही होता था, जब ऐसा होता था तब मेरे हाथ और पैर को जैसे किसी ने बांध दिया होता था, मुह से कुछ बोल नहीं पति थी और खुली आँखों से सामने एक भायांनक सा चमकता हुआ कुछ दीखता था, उस वक्त मैं हिल भी नहीं सकती थी और सिर्फ पूरा शरीर कांप जाता था थोड़े समय के लिए बहुत भय लगता था और ऐसा लगता था कि किसी ने चूस लिया हो | कुछ समय बाद वह ठीक हो जाता पर मई हमेशा डरी हुयी और बहुत ही कमजोर महसूस करती थी |

किन्तु जब से मैं साईं बाबा की शरण में आई, धीरे धीरे वह अंजान सी शक्ति जो मुझे अन्दर ही अन्दर खाए जा रही थी, उससे मुक्ति मिल गयी | और आज मैं उस अंजन नकारात्मक शक्ति से पूरी तरह से मुक्त हो चुकी हूँ और अपने कर्त्तव्य पथ पर दिन प्रतिदिन अग्रसर हूँ | यह मेरे बाबा का ही आशीर्वाद है कि उन्होंने मुझे जीना सिखा दिया वो भी सम्मान के साथ | आज बाबा की कृपा से मुझे समस्याओं का सामना तो करना पड़ता है किन्तु वह बहुत समय क्या कुछ समय में ही समस्या का समाधान मिल जाता है और जब जीवन है तो समस्या तो आती ही है, क्योंकि बाबा ही कहते है कि पूर्व जन्म के कर्मों का कट जाना ही उत्तम है | इस लिए मेरे इष्ट, मेरे गुरु, मेरे माता, पिता समाज सब कुछ हैं |

बाबा जी की ही कृपा है कि उन्होंने अपनी इस बेटी को समाज में मान सम्मान और प्रतिष्ठा के साथ जीना सिखाया है | आज न जाने मैंने अपने अन्दर कितने परिवर्तन देखे है, उसमें से सबसे बड़ा परिवर्तन है कि मुझे अब क्रोध बहुत कम आता है और जो कि पूरे समय मैं क्रोध में ही रहती थी |

और बार बार जीवन को समाप्त करने का मन करता था | आज बाबा ने इतना धैर्य, निश्चय और सभी के प्रति आदर भाव भर दिया है | नहीं तो पहले मुझे कुछ अच्छा नहीं लगता था और जीवन ही निरर्थक लगता था | आज बाबा ने उद्देश्य दे दिया है और वह है समाज में रहते हुए सिर्फ अपने बारे में ही न सोच कर सबके कल्याण की ओर प्रयासरत रहना | साईं की दया जिसको मिली है यह तो वो ही अनुभव कर सकते है | बाबा साक्षात् परमब्रह्म है और एक सच्चे गुरु ,मार्गदर्शक और जीवन दाता है | मैं अपने साईं की तो जन्मों की ऋणी हो गयी हूँ जिन्होंने मुझे सम्हाला है | यह विनती है मेरे बाबा से कि हे मेरे साईं आप ही हर जन्म में मेरे गुरु हों |

# Samarpan Experience

Dear All,

This is Vasavi Ramesh from Chennai. I have been an ardent devotee of Sairam from the age of 3 years.

I am extremely happy to share my miracle experience with our beloved Sairam. It was 2 years back when my husband was hospitalized due to Dengue fever and it was a Sunday night when he was diagnosed with a low blood platelet count. The doctor advised him to get admitted immediately. The entire night he was given trips with medicine. When the blood test was done the next morning, we were surprised and shocked that his platelets were worse. The treatment continued until the next morning when once again the platelets were down and the doctor said that he may need to be shifted to a bigger hospital if this situation continues. I was so sad to hear this but I had faith and surrendered my husband at Sairam's feet and had been praying non-stop.

That evening when I came home to prepare porridge for my husband, there was some program being telecasted on the TV where they were describing Sairam's temple nearby Selaiyur, Chennai. There was an interview where an old devotee of Sairam was sharing her experience with Sairam. She mentioned that whenever her family members get sick, she used to pray to Sairam saying that once they get well, she will offer a tender coconut at Sairam's temple for doing abhishekam. I too prayed to Sairam that once my husband's blood platelet counts increase and when his fever gets reduced, I

will visit the temple and offer the tender coconut. Just like how the coconut water cools BABA, my husband's temperature should get reduced and he should become normal. Then I went back to the hospital with the porridge I had prepared for my husband. The same night doctor came for rounds and said that my husband's fever is getting under control. The next day morning again we took a blood test where the blood platelets increased and the doctor said that he can be discharged the same

## Experience

day. My eyes were filled with tears and I was trembling saying " Sai Appa thank you so much for being with us and helping us always". He got discharged in the evening and both of us went to the temple straight from the hospital, offered tender coconut in the temple, touched Sairam's feet, took blessings, and came back home. There was another incidence, where my son was very sick with a high fever and cold. He was admitted to the hospital, just 5 days before his 4th semester. He is an intelligent boy and was worried that he may not get well for the exam. I bought 4 tender coconuts and went to the temple to offer but the priest mentioned that they will use coconut water for abhishekam only on Thursdays, and on other days they do only water abhishekam. I was so disappointed but understood they are doing like for the purpose of maintaining our BABA's statue in a good state. I was in deep thought when someone touched me on my shoulder, I turned around and saw a young man who could be around 23 years old with a fair complexion. He told me that although the priest has not listened to me, Sairam has heard my prayers and tender coconut water abhishekam will be done for all 4 days. I was so happy that I turned toward BABA and said thanks to Him. It was just a second when I turned back, I could not see the person who gave me this information. I searched for him the entire temple but I could not find him. I went to the priest and checked about this and he said he has decided to do abhishekam every day for 4 days with the tender coconut water but he did not inform anybody to pass on this message to me. I was on

cloud nine and I was crying because I realized it was none other than our Sairam who has come to me and informed me as he does not want me to be sad. It was a goosebump moment to me that I cherish and treasure. My son got well and he attended the exams. He got a CGPA of 9.6

Our family Guru is none other than our beloved BABA...I always seek his advice for anything and everything I do and I get his timely guidance and blessings.

### **BABA Communicates in Extraordinary Ways**

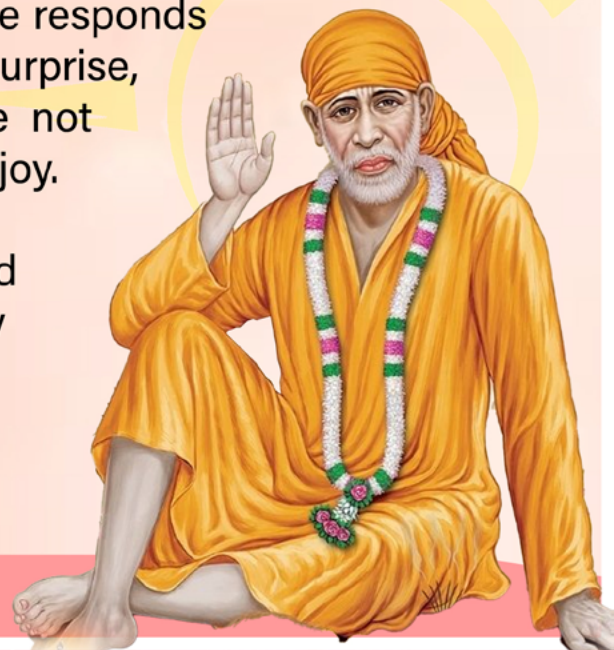

I cannot thank BABA enough for being there in my tough times. All I have is Shukrana for him.

When BABA is there in one's life we can only feel and experience - sharing that in words is beyond our capacity!

I lost my dad when I was very young and since then I did not have a father figure in my life. I don't know when BABA decided to come into my life probably around the time when I was in 8th standard. Since then he has held my hand like a baby walking with me through the toughest paths. I have done anything and everything with BABA. I would cast chits to ask his permission while making any decisions.

I read Sai Satcharitra in those days. Few of the incidents that happened were influenced by that. There is one chapter in which it is mentioned that one of the devotees who came to BABA was wearing new footwears and his complete focus was on them while removing them outside BABA's Darbar. So, when BABA called me to Shirdi, By chance I was too wearing my new shoes. I told BABA that if you exist please tell someone to take my shoes before I come back from your Darbar. This was weird but initially this used to give immense happiness because this was the only way you could communicate with him. And the fact that he responds to you is literally overwhelming. To my surprise, when I came out my Punjabi Juttis were not there. Instead of being sad I was dancing in joy.

Then I was upset because of something and asked him that I wanted to hug him and cry like a baby since I did not have a father. And what would he do now.

### **BABA Communicates in Extraordinary Ways**

I was going back from the temple to the hotel and on my way one of the aunts gave me Sai BABA's big swaroop (framed posture) to hold. She gave me in a way that BABA's face was facing me. I held the big Swaroop wide, spreading my arms like I was hugging BABA. I was in tears and I could only feel love and warmth.

This was a miracle again because BABA always said that he is present in his swaroop. The list of his miracles are uncountable. These are two of them from my life. Thank you, BABA, for giving all your love and affection to this orphan. I would have not been anything without you.

Thank you Guru Sangat for giving me this opportunity to share my experience.

## Om Sairam

“Sai” is the word we will have to utter every day, every minute, every second to know our objective of life and attain liberation.

My life was full of negativity and purposeless before Sai’s arrival. I was wandering in this dramatic and unrealistic world.

My mother heard about Sai from one of her well-wishers and they got her a small BABA idol which she got home and started doing Pooja. Then, I slowly took few steps towards him, and he took thousands of steps towards me to hold my hands. And even today he is still holding my hands tight to make me stronger, more spiritual, purer and much more. In the past, I had witnessed a lot of Sai miracles in my life. And now I am trying to narrate one of those beautiful experiences.

We have a delightful white colored Sai idol at home. The whole idol is in a pure white, without any other color or an outline. Few months back, I had a feeling that, my BABA will be more delightful and satisfied if he had an outline on his eyes. I wanted to just look into the calm and purest eyes of my BABA. This was in my mind every time I gave bath to my BABA. So, I taught to buy a new idol with a beautiful outlined eyes.

# Samarpan

## Om Sairam

But I couldn't wait till I bought a new idol of BABA and I thought of drawing an outline with the new black thilak shringar which I recently got for my daughter. I was scared if I was doing wrong to my BABA. I didn't want to hurt him in any ways. After thinking for a little while, I decided to draw the outline. And finally, I took the shringar. That day, my hands were shivering, even then I wanted my BABA's eyes and those most beautiful eyes were in my mind.

And then I kept all my hesitations and nervousness on Sai's feet and started to draw the outline of the eyes. I wanted even the eyeballs along with the outline to be drawn. When I started to draw, both eyes were completed in just few seconds. I just felt like someone held my hands and in a fraction of second made me do it. I was so happy and got the tears rolling out to see my BABA's eyes. And the biggest part of the miracle is, my BABA still has those eyes which was drawn. That too with a simple shringar which can be washed out with a plain water. Every Thursday, I bathe my BABA and dress him up. And it's almost more than 8 months now, my BABA has that beautiful blinking eyes. I still feel that happiness and remember that day, when I looked into my Sai's eyes.

Om Sairam Jai Sairam.

## Surrender to SAI APPA

I am one of the Mahaparayan group members for the last four years and I would like to narrate the Leelas of Sai Appa. I had an 8 gram gold coin in a cover in the office drawer for the last three years. One day, when I checked it was missing. I checked in the office and at the house whole day and was unsuccessful. Then I thought to myself that if the same is found tomorrow, I will write the same in BABA's experiences. To my surprise, the same gold coin was on my table when I opened my cabin. This is BABA's Leela and strengthens my belief that If you surrender to him Sai Appa will lend his hand and protect us.

## Our only Saviour - SAI BABA

I am writing an experience about how BABA saved my family from the health issues. BABA asked me to offer the Smoking Pipe and bidi in BABA's question and answers website. Repeatedly, I got the same answer whenever I checked the answers for my personal problems. I ordered the items online and I then went to BABA's temple and offered the same. Everyone looked at me strangely. My husband also suggested that I should not believe in these things. But I had strong faith on BABA words, I went to temple and offered my offerings to BABA.

After one week again, I got the same answer repeatedly for my questions in BABA's questions and answers online. Once again, I ordered the items online and I offered the same to BABA in my pooja room. After 15 days, I went for a regular health check-up and immediately the doctor suggested and I needed to go through 2 small surgeries and after surgery my recovery was very slow. I was not able to eat anything for almost a month and digestion was poor. Slowly, I recovered after a month due to BABA's grace. My husband also went for regular health check-ups and doctor suggested him he has to go through the surgery due to some small infection. He went through his surgery and recovered. Then my kid also faced some health issues around one week. I felt very bad as continuously we faced health issues.

After a month my mother was admitted in hospital and she was not even able to speak during that time. She was staying in a different location, I was not in a position to travel due to health issues in my family. I was continuously praying to BABA to help her. She recovered but after 15 days while cooking she got hurt on her legs and hands. After a week my dad got fever and he was also not well for one week.

## Our only Saviour - SAI BABA

After a week he recovered. Not sure why these things were happening. In 15 days, my father and mother felt better and recovered from health issues.

One day I got very bad dream as my sister's kid and sister were not well, I was tensed as the family had been unwell for many months now. Then after 2 days my mother called me and said both my sister and her kid were not well. My sister's kid was admitted in hospital for a week. After a month my kid sister was infected with omicron, then, after 2 days my sister and brother-in-law also got infected. My brother-in-law and sister's kid recovered after 3 to 4 days but my sister's condition was very bad. I was continuously praying to BABA to save my family from all the health issues and calamities. My sister recovered in 1 week. All these days every Thursday I was offering whatever BABA had suggested. By the time I had finished the items (offerings), in 3 months all the health problems in my family vanished. No harm was caused due to BABA grace to my family members. My family came out safely from all the health issues and calamities. Please always protect my family BABA and show your blessings.

## Why Fear When Sai is Here!

Shirdi Sai BABA Saying Why fear when I am here? This is the sentence changed my entire life There are thousands of miracles in my daily life with BABA's grace , I want to share some of the experiences here with all devotees to strength their faith on BABA.

I am a devotee of BABA from my childhood but I became very close to BABA's feet while doing my B.tech . I got a job by BABA's blessings. I wanted to switch my current job and started giving interviews in 2020 -2021 but nothing worked even after clearing all rounds of interview -I didn't get the offer letters. And, I felt very dejected.

The last 6 months of 2021 were particularly hard for me as nothing worked out. In my personal life as well, I faced many issues and I kept on doing BABA's Mahaparayan and praying to BABA to streamline everything. Slowly things changed, I got a promotion in the current job and got good work in current project. After a year, in 2022, I started job search - this time as well I worked very hard in learning new technologies and started preparing for interviews. Attended many interviews , most of the companies were my dream companies. Even my work experience was higher, but I was not able to clear the last round. I felt very sad and cried in front of BABA's photo. From BABA's question and answer website, I got the answer "You will pass the exam and get the job". I continued BABA's Mahaparayan and also read and listened to Satcharitra's of saints. I was able to complete all interview rounds with many companies but I didn't get selected in any of the interviews.

I was trying for a job change since early January and till mid-February this year but had not secured the new opportunity. And then, I appeared for one more interview and finally received the job offer at end of February. This was all due to BABA's grace and kindness. Our BABA hears all our prayers and keeps us protected.
